# IMAGINE... WE'RE ALL DIFFERENT

Bobbi was happily playing a game...

When she stopped and wondered why we're all not the same...

She asked her friend Tiny, who was furry with claws But he couldn't explain, what was the cause...

And Brid in the village, didn't seem to know Why her arms were so hairy, and she had only one toe

When she met JoJo, they couldn't tell, Why one head was a bucket, and the other a shell...

But when she asked Finn, her mind was at rest She could finally lift the weight from her chest...

She learned not to listen to what others might say We're all unique in our very own way

So whether you're big or small or purple or blue Treat others the same way you'd like them to treat you.
